

DEFINITIONS:

Boarded Horse

A horse that is kept for a fee, and/or in exchange of goods and services, and/or cared for by a party or entity other than its owner or lessee. A horse owned by the equestrian operation that is leased to another party but kept and/or cared for by the equestrian operation is considered a boarded horse.

Equestrian Operation

A facility or place used for horse boarding (including equestrian pasture boarding) and/or equestrian activities for a fee, and/or for an exchange of goods or services. Uses specifically excluded from equestrian operations are horse rescue, and horse breeding farms.

Equestrian Trainee Visit

Each visit of an individual trainee to an equestrian operation to receive training such as a riding lesson or to attend an educational class that is offered for a fee and/or for an exchange of goods or services. If the trainee is participating in a non-profit organization event or boards his/her horse at the equestrian operation, his/her visits for lessons do not constitute an equestrian trainee visit.

Equestrian Pasture Boarding

Leasing or use of pasture for a fee and/or for an exchange of goods or services for the purposes of horse grazing, recreation, and turn-out where the same pasture area is made available to 2 or more horse owners.

Horse Keeping
