

## **ACCESSORY LIVING AREA – UTILITY APPROVAL**

**Prior to submitting a building permit for an Accessory Living Area**, the applicant must obtain approval from your utility service providers. Once approval has been obtained, this document must be submitted with your building permit application, plans and other paperwork. A cistern is not an adequate water source.

Owner Name \_\_\_\_\_  
Property Address \_\_\_\_\_  
Parcel Number \_\_\_\_\_  
Phone Number & Email Address \_\_\_\_\_

### **(This area for utility provider use only)**

By acting as an authorized approver and signing this form for the identified utility service provider, you verify that all your requirements have been satisfied for the owner to build an Accessory Living Area on this property and authorize the owner to apply for a building permit to proceed with the permitting process.
