

STEWARDSHIP QUEST

START

1. Find a granola bar wrapper.
2. Read an information sign. What does it make you wonder about?
3. Find something that could have been reused.
4. Thank a dog owner for picking up their dog's poop.
5. Cross out a spot for each litter cleanup you do with your family.
6. Attend a public program at one of our parks.
7. Take a picture or draw something cool.
8. Find a straw.
9. Pick up a piece of trash smaller than a dime.
10. Find 5 pieces of trash on a trail.
11. Find a piece of paper.
12. Pick up a bag of trash with your family. Send us a picture!
13. Find a plastic bag.
14. Find a plastic utensil.
15. Explore a park that's new to you.
16. Find a bug. Why are bugs important to the ecosystem?
17. Find a bottle cap.

END

18. Download the COTREX app.
19. Find a piece of trash bigger than your hand.
20. Find a fast food wrapper or bag.
21. Brush off your shoes as you're leaving a park to stop invasive species spreading.
22. Find a single-use item.
23. Visit a SEEK station and ask a question!
24. Learn the Leave No Trace principles.
25. Participate in citizen science by recording your observations on iNaturalist or ebird
26. Find a piece of packaging.
27. Pick up a piece of trash smaller than a dime.
28. Create artwork using recycled materials.
29. Learn to identify a native tree and research its role in the ecosystem.
30. Commit to reducing your trash waste.

1. Download, print, or draw your gameboard
2. As you complete tasks, cross off one box per task
3. Send us updates or pictures of your completed gameboard to get your badges and participate in our giveaway!
Send boards to gschaller@arimer.org
